

AL-IMAN ACADEMY HANDBOOK

Updated: 2023

Pre-School Objective

Al-Iman Academy Pre-school is designed to meet the needs of Richmond Community who need educational child-care at an affordable price. The program provides structured curriculum with fun activities in a safe and nurturing environment. It is available for children between the ages of 3 and 5 years who are toilet trained and can verbally express themselves.

Sunday-School Objective

The objective of the Sunday School is to provide basic Islamic education to young children that is necessary for every Muslim man and woman. The program is governed by a structured curriculum based on various levels of Islamic education, and it is designed to cover children of age 5 to 12 year old. The curriculum is broken into 5 levels of classes with focus on Quran memorization, Islamic studies and Quranic Arabic.

Enrollment

Before your child's entrance to the school, the Registration Forms must be completed, signed and submitted to school. **To start the registration process, please complete registration information online at www.alimanacademy.org/registration**

Snacks/ Meals

We ask that the parents/guardians provide a water bottle and snack for their child every day. No peanut products please because of allergies.

Registration fee for KG and 1st Grade is \$50 and for all other programs is \$35.
The fees is due on the 1st of every month. Sibling discount is 10%

Late Fees

A late payment fee of \$30 will be charged if the payment is not received by the 10th of month it's due.

A late pick-up fee of \$10 will be charged for every 10 minute delay in picking up the child, i.e. after 1 PM for preschool and 2 PM for Sunday School.

Parents are advised to pick up their child by the dismissal time. In an exception scenario that pick-up should be delayed, a late fee will be imposed for each time the parent is late and the instructor is detained. Late payment is due on the day the lateness occurs.

Closure and Absences

The school will be closed during summer break, winter break and spring break. Other than these times, the school will only be closed in observance of Islamic and national holidays or inclement weather. Check newsletter and Al-Iman Facebook page for updates.

The school staff should be notified of any absences in advance. Please email or call the office.

Health Policies

Parents will be contacted to pick their children if any of the following issues occur: high temperature, diarrhea, vomiting and symptoms of acute illness, uncontrollable or persistent cough, complaint of severe pain, or if the child is very unruly. The staff will provide some emergency health care for minor injuries, which includes the administering of first aid in the case of injury, the obtaining of emergency health care and arranging for the transportation for children in need with immediate notification of the custodial parent/guardian.

The program's staff will provide a child who has or develops symptoms of illness a place to rest quietly that is in view of and under the supervision of the staff. In the event that a child has or develops symptoms of illness, the custodial parent/guardian will be notified immediately. The home/work telephone numbers of parents and individuals designated as emergency contacts must be provided with registration materials. Be sure to add/correct information as needed.

The school should be notified if a child has a communicable disease. Children with infections or communicable diseases may return to the program only with written order of a Physician. Children will not be given any medication, nor can special medication procedures be carried out, except upon written order of physician and under written instructions from a parent/guardian. Medication in its original container must be carefully labelled with the child's name. It will be kept beyond the reach of children and will be used as needed. **It is required that the Al-Iman Academy has a copy of**

each child's immunization record on file.

Behavior Expectations

To maintain a constructive atmosphere, the school must establish rules of behavior. Using positive, non-threatening techniques, staff members will guide children to become responsible for their own actions and to respect the rights and feelings of others. Children will be encouraged to resolve conflicts through effective communication. Consistent behavior problems will result in a conference with the Admin, parent/guardian and child to review the school rules and to discuss possible solutions. In extreme circumstances, including serious discipline problems, which interfere with the program operation, a child might be asked to leave the school. After a conference with the parents and the child, the child would then be withdrawn from the program, without a refund of tuition.

Inclement Weather

Communication will be sent to parents about school closures due to inclement weather. Should inclement weather begin during school hours, parents are expected to pick up their child at the earliest time possible.

Parental Involvement

According to Islamic Traditions, the family is the nucleus of every child's early development. Therefore, it would only be expected that parents be involved in their child's school experience. Your input and observations would only enhance the program. There will be parent/teacher conferences held to review your child's progress.

Pick-Up Policy

Only people who are 18 years of age or older listed on the registration form may sign a child out of school. Parents are responsible to inform each person listed in the Pick-Up Authorization section that they will be required to present proper identification. Any changes to the list will be made in advance by written notification to the school.
